Lauren E. Lane, VMD, DABVP

Ronald J. Lane, MS, VMD, MBA

For the safety of your pet while he/she is under anesthesia, White Oaks Veterinary Hospital recommends that you withhold food and water for several hours prior to their surgical procedure. Please follow these instructions carefully.

The evening prior to your pet's procedure:

DO NOT give any food after 8:00 PM

DO NOT give any water after midnight

DO give prescribed medications as directed by your veterinarian

The morning of your pet's procedure:

DO NOT give any food

DO NOT give any water

DO give prescribed medications as directed by your veterinarian

We will be expecting your pet between 8:00 and 8:15 AM. Please allow a few minutes to review and complete our Anesthesia Consent Form at the time of your pet's drop off. *Feel free to download and print the Anesthesia Consent Form to review and complete at home and bring it along to your drop off.*
